

PNA Bank would like to say ‘Thank You’ to all the generous individuals that donated to the special collection for **“Dom Dziecka W Stalowej Woli”**, an orphanage in Poland. Collections for the orphanage were held at both the Chicago (4800 S. Pulaski) PNA Bank location, along with the Niles (7840 N. Milwaukee) bank location. Additional clothing, toys and monetary donations were collected at the Polish National Alliance, as well.

PNA Bank had received numerous letters written from the children themselves, asking for various toys and games, but the majority were asking for warm clothing and shoes for the cold winter months ahead. On December 2nd, PNA Bank employees had packed over 10 large boxes overflowing with items to be sent over to Poland. Special thanks would like to be given to USAPOL; a generous discount was given to PNA Bank to ensure that the packages arrive safe and soundly to the deserving children at Dom Dziecka. Again, PNA Bank would like to ‘Thank you’ for coming together as a community and helping the children’s Christmas wishes come true. Happy Holidays from PNA Bank!
